

How to make a will

In October 2016, legacies left in Wills helped us to open our very first Education and Wellness Centre. In the first year alone we helped over 1000 people.

If you wish to leave a gift in your existing Will, you'll need to add a codicil, which you can download from www.togetheragainstcancer.org.uk/-gifts-wills/

If you don't currently have a Will or would like to write a new one, we've teamed up with ActiveWills to offer a **Free Will** for all our supporters

You can do this via their online software at activewills.com/charity/togetheragainstcancer.

You will need a unique code to claim your free online Will, please call or email us to obtain this.

By leaving a Will, you'll have peace of mind that your wishes will be carried out in the way that you intended.

When including a gift in your Will it is important that you include our name, address and charity number (see the information provided in the box below) to prevent any uncertainty about which charity is the intended recipient of the legacy.

If you are including a gift in your Will please remember to use our charity details as below:

Together Against Cancer
Unit S1, Troon Way Business Centre,
Humberstone Lane, Leicester LE4 9HA

Email: info@togetheragainstcancer.org.uk
Web: www.togetheragainstcancer.org.uk
Tel: 0116 246 0195

Together Against Cancer
Registered Charity Number: 1123665

How you can help us with a gift in your Will

Your support is wonderful and makes a profound impact.

Why Together Against Cancer

We do things a little differently from most other healthcare charities. Through our commitment to promoting self-healing, our energy is focused on disease prevention and recovery. We equip people with the necessary tools and knowledge to maintain good health. This includes lifestyle and diet advice, financial aid and one-to-one support.

It's our mission to educate, inspire and help people the world over. So our services are open to everybody, regardless of their health status.

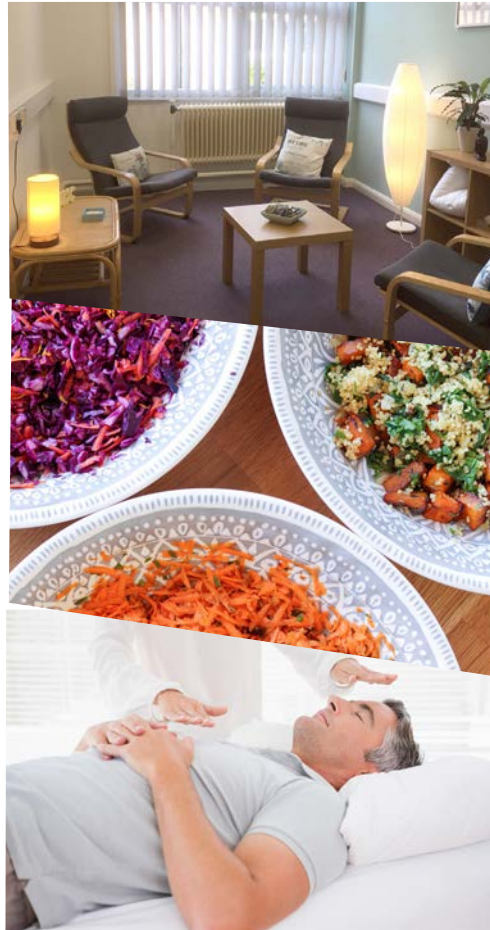

Everyday, we're encouraging people to reconnect with their own natural capacity to heal.

Because disease prevention is at the heart of what we do, we're always looking to expand our education programme, so people can learn how to stay well. We do these at our centre and online to extend our reach to more people.

We also want healthcare professionals to learn how integrated medicine can have a real effect on the long term survival rates for cancer patients.

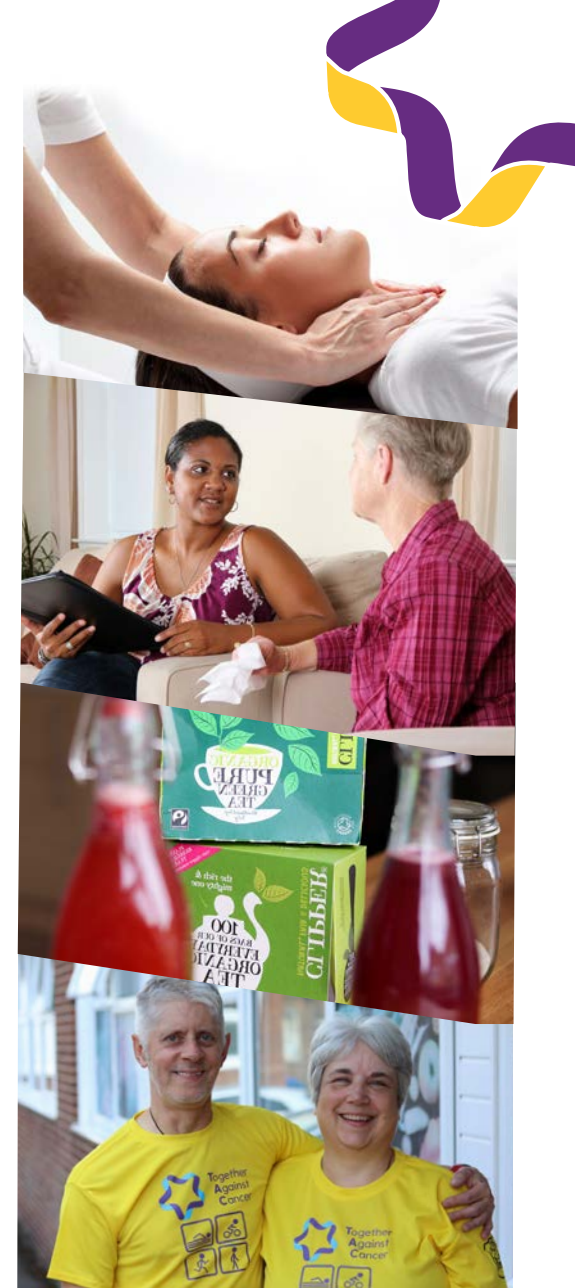

Together Against Cancer receives no government or statutory funding so we rely solely on the generosity of public donations and gifts to fund our vital work. A gift in your Will will help to support those who need us now and empower future generations to come.

After providing for your loved ones in your Will, please consider remembering Together Against Cancer with a gift.

You'll help us to:

- Maintain our Education and Wellness Centre in the UK. Here we offer complementary therapies, wellness workshops, yoga, Tai Chi, Qigong classes and much more.
- Offer small grants to cancer patients.
- Supply free weekly organic fruit and veg boxes to cancer patients.
- Stay connected with people on every step of their journey.
- Provide grants to similar charities
- Provide online resources, videos and wellness workshops
- Continue to raise awareness of our services, by increasing our presence online and through regular public promotions.

“ TAC is an amazing charity. They truly have a passion to make a difference in people's lives and bless so many people with positivity, love, encouragement and inspiration. ”
